Rachelle teaches an average of 10 students and has been teaching for Three years.

I have a Bachelor of Music in performance and pedagogy from Boise State University where I studied with Del Parkinson.

I tailor my lessons to a student's unique interests, learning styles, and goals. I provide a solid foundation in piano technique, music theory, and music history and have my students play fun and engaging music. I teach accompanying skills so that my students are able to play for school choirs, congregational hymn singing, or family Christmas caroling. I also teach basic organ lessons for those of my students who are interested in playing the organ for their church services. I am a member of the Treasure Valley Federated Music Club, so my students have the opportunity to participate in the Gold Cup Festival.
